

My Computer Mouse

I've got a mouse
I play with every day
He runs across the mat
And his tail is long and grey
He doesn't like cheese
He likes playing games
He's not afraid of cats
He hasn't got a name

He's my computer mouse
He's my double click, single click
Run around the mat computer mouse
Left click, right click, double click. OK!

I've got a keyboard
I use it every day
He's got a lot of letters
We've got a lot to say
We write a lot of emails
'Cause we've got lots of friends
When we've written them
I ask my mouse to click on send

He's my computer mouse
He's my double click, single click
Run around the mat computer mouse
Left click, right click, double click. OK!

He clicks on my screen
I turn my speakers on
He opens up the programmes
On my CD Rom
Then we turn up the sound
And we turn off the lights
And we play lots of games
And chat with friends all night.
